MARK

42 | HOBBYIST MUSICIAN | WATERFORD, IE

DESCRIPTION

Mark works as a engineer in a firm in Waterford. Mark works hard, but in his free time has a hobbyist interest in traditional Irish music.

Mark learned music in his youth, but is not able to commit a large amount of time to it now. Mark wants to learn about Irish music in a way that is enjoyable, simple and does not require endless research. He wants to find something modern, but with an authentic Irish aesthetic.

"I want to learn about Irish music but I don't want to have to dedicate large amounts of time digging through resources."
